

Possums Playcentre is a nature-based, community-run playgroup for children aged between 3-5 years. We are nestled in the heart of the Taroona community and run our services during school terms from the community hall.

Our Centre is a non-profit organisation, run by a parent committee, and licensed by the Education Department's Education & Care Unit.

Possums has been a beloved part of the Taroona community for decades. We incorporate the natural environment into sessions through the exploration of our community garden, local beaches and bushland. Other activities explored with the children include cooking, creative arts and stories. All sessions are run with the philosophy of free play and fostering confidence by qualified early learning educators and support aides.

To avoid Possums having to close its doors permanently at the end of 2025, we are open to expressions of interest for families in the hope that we can reopen in 2026.
